## Personalized Deep Pore Cleansing Facial Treatment

Improve your skin tone, texture, and clarity with this customized facial. Your skin will be analyzed to choose the most effective products for its needs. Your face is cleansed, exfoliated, and prepared for extractions and a facial massage, using specific products for your skin, followed by a facial mask. Additionally, your body is relaxed with a hand and elbow treatment, a neck, and shoulder massage leaving you feeling totally refreshed.

90 min **\$135**

## Aromatherapy Facial Treatment

A personalized deep pore cleansing facial followed with a massage using essential oils to encourage the skin's natural abilities to flourish. Finished with a mask suitable for your skin.

90 min **\$135**

## Skin Care Signature Facial Treatment

A personalized deep pore cleansing facial with the addition of a décolleté treatment to rejuvenate the chest area. A foot massage will bring the body into balance.

120 min **\$185**

## Ultimate Anti-Aging Treatment

Diamond dermabrasion followed by LED light and finished with oxygen infusion. It will give your skin nourishment, firmness, and glow.

120 min **\$220**

## Anti-Aging Pro-Radiance Facial

Restore instant glow & illumination with this power-packed anti-aging facial incorporating gold and caviar extracts, peptides, and hydrating acids with the galvanic application for deeper penetration. Skin is visibly firmer, more even in tone and radiant.

Acne Treatment 40 min **\$85**

Post Surgery Scar Treatment 40 min **\$95**

## Diamond Dermabrasion

This safe and advanced crystal-free Microdermabrasion System removes the topmost layer of the skin, leaving it clean, supple, and vibrant. Each treatment removes roughly 30-60% of the stratum corneum. This process stimulates new cell growth by inflicting surface damage, which allows almost 100% product penetration.

45 min **\$85**

With Acid Application 45 min **\$95**

## LED Therapy Treatment

Light therapy has been clinically proven to heal and repair the skin. When LED light converts electrical energy into light energy, the cells are able to perform more efficiently. Cell tissue oxygenation, cellular metabolism, increased blood and lymph circulation, collagen production are all in full effect after the treatment. LED also helps reduce inflammation and destroy P. Acnes bacteria.

20 min **\$60**

## Coolifting-Dermal Delivery System

Coolifting combines a controlled spray of carbon dioxide and a blend of hyaluronic acid and botanicals. It restores hydration, luminosity, tissue stimulation for even skin, and fine lines lifting. Removing layer of skin with microdermabrasion before treatment gives almost 100% penetration.

6-8 treatments recommended once a week  
\$160 each for face  
\$110 each neck
